The eighteen-months old baby of Mr. and Mrs. George Ferguson died at Junction City, Sunday, of pneumonia. The remains were brought here Monday for burial.

There is hardly a home in Mt. Vernon which does not have one or more sick with grip, quincy or whatever it is that is causing so much sickness throughout the country.

The Interior Journal of the 11, Inst. says: "George Lewis, of Mt. Vernon, purchased some extra fine red pigs here Saturday and had them shipped to his home." Who is Geo. Lewis?

Get your fresh mints at Fish's restaurant.

The Garrard Milling Co. of Lancaster, bought a lot of extra good wheat from Gus Staverson this week for \$1.20 per bushel. We understand that this firm has bought about 1000 bushels of wheat from Rockcastle farmers recently at \$1.10 to \$1.20.

NOTICE:—All parties holding claims against the estate of Rosa Payne, deceased, will present same to me on or before February 1st, 1916, properly proven. Those indebted to the estate will please arrange settlement of same.

DOCK LANGFORD, Admr.
Jan. 14-31

Editor E. C. Walton has severed his connections with the Interior Journal and has bought a paper at Harrodsburg. Brer Ed has done lots of shitting about since he first left the I. J., but in his case it has not been an instance where the rolling stone had failed to gather moss. Editor Walton has many warm friends up in Rockcastle who are always glad to hear of his success wherever he may be.

Atty. J. W. Brown, who represents a large number of creditors in the L. L. Sanders bankruptcy proceedings, was in Stanford Wednesday to attend a meeting of the creditors. The assets as stated by Mr. Sanders will not exceed \$2000 and the indebtedness will run to nearly \$10,000. It is possible that Mr. Sanders will compromise for 50 cents on the dollar, as the creditors are not satisfied with a prorata of the assets as given.

The suit of the R. M. K. Flour Co. against the three insurance companies which carried policies on the building and stock, of that company, when the same burned at Livingston in the fall of 1914, has been on trial since Monday. The policies aggregated \$10,000, which the insurance companies have refused to pay. The case will go to jury today. The policies were written by Bromley & Bromley and Jesse D. Warren, of Stanford.

Rev. A. J. Pike, of Brodhead was in Stanford a short time Monday morning returning home from Gravel Switch, where he is pastor of the Baptist church. Rev. Pike has just been called to the pastorate of the Baptist church at Brodhead again, and gives that congregation a quarter of his time. He is one of the best known and most forceful men in his denomination in the mountains, being a powerful expounder of the Word.—(Interior Journal.)

Mr. and Mrs. Willis Adams, of Los Angeles, announce the engagement of their daughter, Miss Elizabeth Peyton Adams, to Mr. Howard Wright Palmer, of Los Angeles. No date has been set for the wedding. Miss Adams is a niece of Mesdames Charles S. Nield and W. P. Lincoln, and with her parents formerly lived in Mt. Vernon, and is well known and popular in Kentucky's younger set. Mr. Palmer, formerly of Washington, D. C., recently went to Los Angeles, where he will make his home in the future.—(Sunday Courier Journal.)

This Jan. 14th, 1916.

TIP LANGFORD NOMINATED

FRANKFORT, Ky., January 3, 1916.

[Special to Mt. Vernon Signal.] The Republican caucus nominated a full ticket for officers of the Lower House: Hon. Tip Langford, of Rockcastle county, was nominated for Clerk Room Keeper. Representative Bullock placed him in nomination in a speech that aroused great enthusiasm, and was highly complimented. Mr. Langford is a leading citizen of Rockcastle county, and a man of wide influence. Mr. Bullock is taking a front rank as a legislator, and is considered sound, capable and thoroughly progressive.

"BOOK SOWER"

The Women's Club invites you to the Opening of the Library, over U. G. Baker's store, Saturday January 15th. Would like for every one who can to bring a book.

Mrs. Creech, wife of J. W. Creech, of East Bernstadt, died Tuesday of a complication of troubles. She had been sick for three months. The deceased was a fine business woman and took an active interest in her husband's affairs which were very extensive. Besides the husband, two sons, Jack and Wilson, survive. The burial took place Wednesday.

TOWN BOARD:—The new city board was sworn in last week and held their first meeting last Friday night. The following constitute the board: W. M. Poynter, R. L. McFerron, S. T. Proctor, J. T. Meadows and Bobt. Cox. F. L. Durham was elected city clerk. We may expect the best results from the efforts of these gentlemen who are our very best citizens and business men, and men who stand for progress and morality in unequivocal terms.

Wm. G. Tucker, Chief of Police of Pennington Gap, Va., came here Sunday and on Monday took A. B. Blair back to Virginia to answer a felony charge. It is claimed Blair drove a cow out of Virginia with a bunch of other cattle and sold her, and then refused to pay for her. Chief Tucker had a requisition from the Governor of Virginia which was honored by the Governor of Kentucky. Blair's father lives near Boone, this county, and moved here from Virginia two or three years ago.

We understand a Lebanon liquor firm is very desirous of locating one J. A. East, who ordered a shipment of several gallons from them recently enclosing check for a sum around \$20 in payment of the goods to be shipped. East wanted the goods shipped to Mareburg, but we understand the Lebanon concern suspected there was something wrong and called the local bank on which the check was drawn and found there was no such man as J. A. East having an account there and they failed to ship. There is a gang of drunks around here using such names of unknown people and getting shipments from several whiskey houses along the line.

Over at Conway, this county, the farmers are doing things. Last October they organized the Conway Farmer's Improvement Club with about twenty-five charter members, and now they have grown in number to ninety-three. Their officers are all wide-awake practical farmers. They are M. A. Chastee, President; J. C. Wood, vice president; W. M. Wilson, treasurer; S. P. Caudill, secretary, and J. B. Dean, asst. secretary. They will have a meeting next Tuesday and Wednesday which every farmer in Rockcastle county should attend. Any farmer who is interested in bettering his condition would do well to attend this meeting and get some pointers about organizing a club in his section. See the program printed elsewhere in this issue.

Rev. M. G. Fish will preach at Buckeye next Sunday, Jan. 19th at 11 a. m.

Henry Northern, a respected citizen of the Scaffold Cane section, died this week.

To-morrow will be the annual election of directors and officers of the Bank of Mt. Vernon.

James H. Woods of Lincoln county, sold this week to Wm. T. Robinson, of Boyle county, a fine pair of two-year-old mares for \$500. This is the record price for mules in this section of the State.

SPLENDID YEAR:—The stockholders of the Peoples Bank met last week, being the regular annual meeting and re-elected the old board of directors and the same officers, which are as follows: U. G. Baker, Pres.; J. P. E. Drummond, Vice-Pres.; F. L. Thompson, Jr., Cashier; C. M. Thompson, Asst. Cashier, and Bethurum & Lewis Attorneys. The directors are: U. G. Baker, F. L. Thompson, Jr., S. D. Lewis, L. W. Bethurum, John C. Griffin, R. G. Moore and W. J. Sparks. While the profits exceeded the 10 per cent mark, yet the directors only declared a 6 per cent dividend, carrying the balance to surplus. Under its splendid management the Peoples, notwithstanding the hard year it has been, has made a splendid record and one that should be very satisfactory to its stockholders.

Mrs. Matilda Houk, grandmother of the writer, and possibly the oldest person in Rockcastle county, died very unexpectedly Monday afternoon about four o'clock. She had been sick since Xmas day, but the attending physician saw nothing specially alarming about her and when the end came she was sitting up in bed. Had she lived until March 6th 1916, she would have been ninety years old. Up until two weeks of her death she was particularly strong and active for one of her years. She is the last of her generation, of which there was a large family and all of them lived to ripe old ages. Her only child was the writer's mother, who died Oct. 27, 1908. Those who knew her, honored and respected her for her long life of purity, goodness and kindness to others. On account of the heavy downpour of rain, it was deemed inadvisable to take the body to the church and short services were conducted at the home of Mrs. Fanny Sowder, where she had been staying for a few months, by Rev. Young, of the Christian church, who also conducted a brief service at the Mareburg church, where the burial took place.

J. B. Owens was given judgment for the full amount of his policy against the Great Southern Fire Insurance Co., which case was on trial at the time of our last issue.

RECIPE FOR GRAY HAIR.
To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/2 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up for you. You can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

Judging from outside appearances, what the grand jury is doing for the "boot-leggers" is a plenty. It looks like it is high time something was being done to stop some of it. Bad whiskey is about as plentiful as good water.

BONDS SOLD:—The Rockcastle county \$100,000 road bonds were sold this morning to The Rudolph Kleybolte Co., of Cincinnati, for par value and the accrued interest.

Livingston has been well represented in Mt. Vernon this week, there being something like six witnesses from that town in the R. M. K. Flour Co. insurance trial.

"Catty" Frith wrote F. L. Durham that to-day would be Brodhead day in Mt. Vernon, when there would be not less than fifty from that good town to appear before the grand jury.
